Patricia Glaser has once again been honored by the *Daily Journal* as one of the “Top 100 Lawyers in California” for 2016. This annual list recognizes attorneys who handle the most cutting-edge work in litigation, regulation and corporate transactions throughout the State.

Ms. Glaser and her team of litigation partners represent many well-known corporations of national and international prominence, as well as leading technology- and entertainment-related individuals on high-stakes and high-profile matters.

The *Daily Journal* highlights Ms. Glaser’s grueling schedule of three back-to-back trials in Los Angeles next month where she is representing Hollywood financier and former film producer David R. Bergstein, Himelsein Mandel Fund Management LLC and Rysher Entertainment LLC. Those trials are in addition to a federal court case in Rhode Island for Reuben Klamer, the inventor of the classic board game The Game of Life.

Ms. Glaser told the *Daily Journal* that she continues to maintain these demanding schedules because she still enjoys the work. She also enjoys litigating against other distinguished counsel. “Good lawyers on the other side makes it even more fun ... people who get the nuance.”
