McOsker and Perch-Ahern to Moderate Panels at the 2018 VerdeXchange Conference

Related Attorneys: **Noah Perch-Ahern, Timothy B. McOsker**

Related Practices: **Environmental & Energy, Government & Regulatory**

Timothy McOsker, Partner and Co-Chair of Glaser Weil's Government & Regulatory Law Practice, and Noah Perch-Ahern, Partner in the Firm's Environmental & Energy Practice Group and President of Young Professionals in Energy (YPE) LA, will each be moderating panels at the 2018 VerdeXchange Conference in Los Angeles.

VerdeXchange's 11th annual conference will be held January 28-30, 2018, at the LA Hotel Downtown. This event brings together accomplished clean and green tech entrepreneurs, energy and water companies, advanced vehicle manufacturers, soft and hardware developers, and public policymakers, as well as procurers, innovative financiers and environmental stewards. Sessions will provide insights on "what's in-market," "what's about to be in-market," and "what's needed" in the global, trillion-dollar verde economy.

Both Mr. McOsker's and Mr. Perch-Ahern's panels will take place on Tuesday, January 30th. Details below:
