

POWER LAWYERS 2013

AMERICA'S **TOP 100** ENTERTAINMENT ATTORNEYS

Patricia Glaser

Glaser Weil Fink Jacobs

Howard Archen & Shapiro

Glaser, the West Virginia-bred legal pit bull of choice for such clients as WME and **Conan O'Brien**, is a hard-core Republican.

So she might seem an odd fit to represent famously liberal commentator Olbermann in his \$50 million lawsuit over his exit from **Al Gore's** Current TV, which was dismissed May 16 after a confidential settlement.

But politics never gets in the way of their relationship. "He is so far to the left of me, he's falling off the world," jokes Glaser. "But we get along great. We talk about the Yankees."
