TVEyes on the Prize: Clarifying the Law of Copyright Fair Use

By: Guy Rodgers

TVEyes is a media monitoring service, claiming, “to organize the world’s TV and radio broadcasts and make them universally searchable by the spoken word.”[1]

TAGS: Audio Mining, Copyright & Idea Theft, Copyrights, direct infringement, Fair Use, federal court, Fox News, Intellectual Property, Intellectual Property, Media Monitoring Service, S.D.N.Y., Southern District of New York, Transformative, TVEyes
