Patricia Glaser has once again been named among the 500 most influential people in Los Angeles by the *Los Angeles Business Journal*. The 2018 "LA500" list profiles individuals across the diverse array of industries and business categories that define Los Angeles. These distinguished individuals "shap[e] the business and social fabric of the region" through their business accomplishments, civic leadership and philanthropic efforts. One of only 35 honorees in the Law category, Ms. Glaser has been recognized all three years this list has been published.

Ms. Glaser, Chair of the Firm's Litigation Department, tops the short list of trial attorneys in the nation sought after for high-stakes litigation. She consistently ranks as one of California's top business trial attorneys and was recently named "Business Leader of the Year" in the Services category by the *Los Angeles Business Journal*. Her clients describe her as a "trial icon" and "one of the most prominent litigators in the country." She is also recognized by *Benchmark Litigation* in its rankings of "Top 100 Trial Lawyers" and "Top 250 Women Litigators," and by the *Daily Journal* as one of the "100 Leading Attorneys in California."
