Glaser Weil is pleased to announce that eight partners have been honored on this year's *Benchmark Litigation's* "California Stars List." Now in its 11<sup>th</sup> year of print, the premier annual publication continuously highlights elite litigation attorneys based in the United States, Canadian and Mexican markets. The detailed evaluation and selection process consists of conducting interviews resulting in an analysis of the nation's leading private practice lawyers and in-house counsel. Described as the "definitive litigation guide" of attorneys and firms, Glaser Weil celebrates its ongoing success and numerous features on the distinguished rankings.

*Benchmark's* elaborate analysis of the firm evokes a level of achievement and pride for the Glaser Weil team. As noted in the peer review, "Glaser Weil boasts a diverse crop of clients" and focuses on "genuinely cutting-edge" work. These commendable testimonials speaks to the culture and status Glaser Weil embodies.

Earlier this year, *Benchmark Litigation* included Glaser Weil Partner Rory S. Miller on its "40 & Under Hot List." The list honors the most accomplished emerging legal talent from across the United States and Canada—in 2018, only 23 lawyers in Los Angeles were named to the list. This was Mr. Miller's second consecutive year on *Benchmark's* "40 & Under Hot List."
